VOLUNTEER

UQ OPEN DAY

Guided people to their destinations and helped them when they reached out

UQ Women in Computing OPEN DAY

Shared my experience as a computer science student at UQ with prospective students and their families in UQ Open Day.

Experience

Mandarin-English Translator

June – July 2024

Galaxy Software Services (GSS) in Taiwan

- Collaborate with the cybersecurity team and the marketing team to translate their products between English and Mandarin.
- Designed small articles related to cybersecurity concepts to help nonexpert customers improve their understanding about this field.
- Translated 5 articles about GSS products from English to Mandarin, and 35 cybersecurity-related small articles from Mandarin to English.
- Communicated with the cybersecurity team and provide recommendation about the cybersecurity related topic to put on small articles to help customers enhance their knowledge of cybersecurity.

Private Tutor

Tutoring high school student Maths.
